

GETTING READY FOR 3-DAY SALE-From left, Nickey Bond, Alan Fitzgerald, Mrs. C. L. Howard, Mrs. Charles Wesbrooks and Mrs. Ed Wheat make plans for the three-day garage sale at the Howard home, 515 W. Lake Drive. The sale opens today (Thursday) and will be held Friday and Saturday, opening at 8 a.m. each day. The sale will benefit campers who wish to attend Camp Roadrunner, summer camp for mentally retarded people of Region 3, Texas Association for Retarded Citizens, Inc. Mrs. Howard, chairman of the event, said many items had been donated and toys, plants, clothing and miscellaneous articles will be for sale. Camp Roadrunner will be held July 12-19 at the Butman Methodist Encampment.

#### NEWS AND VIEWS . . . **And What Have You** By BOB CRAIG

Apparently, the City of Hamlin is finally on its way to solving its Wastewater Treatment Problems now that it has received word from Austin that its \$200,936 grant has been approved for the construction of a new sewage system. This is a problem that the city has been working on since 1971.

But in the years ahead the City of Hamlin, like cities all across the country, will be facing the problem of what to do with its solid waste. How much longer the city can find land to lease or buy to bury its trash is a question for which no one has a ready answer.

Cong. Omar Burleson discusses this problem in his newsletter this week and points out that in the past four or five decades the amount of solid waste discarded per person in this country has doubled. Collections of throw-away stuff amounts to more than 225 million tons per year with disposal costs of more than \$5 billion annually.

The National League of Cities reports that about half our towns and cities will run out of current disposal capacity in from two to five years. And Hamlin will probably be one of those cities looking for a place to poke its trash within that time frame.

Not only is the problem of where to put the trash a growing one but at the same time this increase in the volume of materials entering the solid waste stream has a potentially serious drain on our national resources. According to the newsletter, the U.S. Geological Survey has warned that by 1985 our Nation will be dependent on foreign imports for more than one-half of its supply of nine basic raw materials.

Otherwords, not only can we not find any place to dump all this trash, but at the same time we cannot afford to continue to throw this much of our raw materials away. Apparently, the only answer is to recycle our trash but the problem here is that it is still cheaper to use new material than it is recycle. According to statistics we recycle only 19 percent of all wastepaper, 18 percent of aluminum, five percent of glass and four percent of textiles.

And instead of recycling more and more of our wastes we are recycling less and less, according to reports. And this is not likely to change until the government changes a number of its policies which includes freight rates that favor the use of virgin materials. The government will have to offer some form of tax incentives to business not only for new recycling

#### **VBS Opens Monday**

Vacation Bible School at Calvary Baptist Church will open Monday and continue through Friday with sessions from 8:30 to 11 a.m.

Classes will be held for age three through junior high. Theme will be "Believing Truth.'

IN LAST MINUTE BATTLE—

## **County Loses District Court**

A classic political battle between small town and city finally ended shortly before midnight Monday in the State capital.

Victims at the end were the proposed 223rd District court for Jones County.

A joint House-Senate conference committee, after a day and night stalemate. brought Jones County court from an Omnibus Courts Bill 60 minutes before the end of the 64th Legislature.

By dropping Jones County, the committee saved more than 20 additional courts and hurried the bill to the House for quick approval before final adjournment.

Representative Elmer Martin led the fight for the Jones County court, sponsoring the legislation that originated in the House, where it was passed 113-4.

And it was Martin who in the late night conference committee session repeatedly held the House support together to keep Jones County court alive with repeated deadlock votes.

Organizing opposition were Senators Grant Jones of Abilene, Pete Snelson of Midland, and Jack Ogg of Houston.

Joining hands with Martin at the forefront of the effort to keep Jones County in the court bill was Representative W. S. (Bill) Heatly of

Paducah, chairman of the House Judicial Affairs Committee and chairman of the Conference Committee.

Jones and the other Senators walked the House floor during the afternoon and night contacting House members in an effort to stir up opposition to keeping the Jones District court in the

It was only after Senator Ogg, with the support of the other Senators, proposed including Jones County with other counties in a new district court that the stalemate was broken.

Representative Martin and Heatly repeatedly told the committee they would not be

a party to "switching rural counties and small towns from one court to another in

the middle of the night." Pressure turned to Representative Martin to withdraw Jones County to save all of the other courts.

But he refused. But finally, with numerous courts in San Antonio, Houston, Fort Worth and other cities hanging in the balance, the committee voted to drop Jones.

However, the action was to no avail

A point of order a short time later in the Senate killed the bill as time ran out and the Senate adjourned sine-die before the Senate could vote.

#### RECORD SET MONDAY-

## Wheat Harvest In Full Swing

The area wheat harvest finally moved into full swing here this weekend following a week's delay from moisture of heavy rains. Combines moved into some fields late Saturday evening and then moved into high gear here Sunday.

Moore Elevator reported a new record here Monday as 119,000 bushels of wheat were brought to the elevator in one day, according to Robert Fowler, manager. He said that it should take from a week to 10 days to complete the harvest if the weather will hold.

He said that the yield is running about 20 bushels per acre, but with the increased planting this season the area could see a record harvest. From 25 to 30 percent more acreage has been planted in wheat this year than ever before. Previous highs for Moore Elevator were 654,000 bushels in 1958 and 962,000 in 1968. The yields were running higher during those years but the acreage is higher this

Fowler said that they received their first load of wheat here Monday, May 19, but it was not until late Saturday that the harvest really got started. An

#### **Headstart Program** Still Has Vacancies

Headstart Program which began Monday still has vacancies for five-year-old students, according to Larry Butler, principal

Classes are from 8:30 to 1:30 each day Monday through Friday and lunches and snacks are furnished.

The school will run from June 2 to July 25

estimated 40 combines have been brought into the area, plus a number of locally owned rigs.

The wheat was bringing \$2.95 when the harvest started but had dropped to \$2.85 Monday and was still bringing the \$2.85 Tuesday

morning. Fowler said that about half of the wheat producers were trying to hold their crop hoping for a better price later.

The harvest is getting underway by about 10 a.m. now and running until about 11 p.m. each evening.

Jones County Agent Kirby Clayton estimates that there is from 55,000 to 60,000 acres that will be combined in the county. Estimates in this area, including parts of Stonewall and Fisher counties run as high as 50,000

#### GRADUATES TOLD —

## 'Our World Needs You'

The graduating class of Hamlin High School was told "Our world needs you," by John Allen Chalk during commencement Thursday evening for the 49 seniors. The graduation service. which combined baccalaureate and mencement, was held in the auditorium of First Baptist Church.

Chalk is an Abilene attorney and author

He pointed out to the students that they may feel like they must carve a place for themselves in the world. that there is no place for them now, but he wanted to allay that fear by assuring them that there is a place for them in the world and they are needed desperately

He urged them to be guided by what is highest, noblest. purest and what is fundamentally sound and to discriminating exercise judgment.

Another conviction he stressed was to "Love thy neighbor as thyself." Have a strong sense of self respect and self esteem and respect others, he explained.

Don't abuse your life and

your opportunities," he advocated.

More than \$500 in scholarships were presented during the presentation of awards. Debra St. Clair was

presented a \$100 scholarship to Texas State Technical Institute in Sweetwater by the Abilene Chapter of National Secretaries Association (NSA). She is the daughter of Mr. and Mrs. Buster Hart

Cynthia McMillan, daughter of Mr. and Mrs. Clyde Huff, was recipient of the annual \$100 scholarship from the Woman's Literary Club.

Vickie Ponder, daughter of Mr. and Mrs. Doyle Ponder, received the \$200 scholarship from the Hamlin Ex-students Association, an annual presentation.

The first annual \$100 scholarship to an outstanding Future Farmer of America member was presented by the Hamlin chapter to Randy Elmore. He is the son of Mr and Mrs. Don Elmore.

The valedictorian, Cheryl Lewis, daughter of Mr. and Mrs. Clyde Lewis, and Elmore, salutatorian, will be eligible for scholarships.

A special award to the outstanding American history student was given to Sue Sellers, daughter of Mr. and Mrs. Cecil Sellers, a sophomore. The award was from the Woodmen of the

Honor students took part in the program.

Cynthia McMillan gave the invocation, Blain Lewis led the Pledge of Allegiance and the scripture was read by Kimi Mehaffey. Thomas Hartley introduced the speaker.

Ray Sonnenburg presented the class gift

The welcome was given by Elmore and Miss Lewis gave the farewell B. V. Newberry presented

the 49 seniors who received their diplomas from W. T. Johnson, president of the board of education, and were congratulated by Superintendent Bob Hawes Debra St. Clair led the

singing of the Piper Song. Juniors providing music were Debra Hollis, pianist,

who also played the processional, and Gary Ford, organist

HARVEST UNDERWAY-Five of the seven combines working in the wheat field west of town belonging to Johnny Bryant can be seen in this picture taken Tuesday afternoon. Bryant reported that an 800 acre field across the road from this field averaged 24 bushels per acre when it was cut Monday. Robert Fowler of Moore Elevator estimates that the

area average is running about 20 bushels an acre in what could be a record harvest for this area. While the average has been higher in previous years the acreage planted is up about 30 percent. The harvest, that had been held off because of wet weather, got underway here this weekend.

## FROM THE FILES . . .

FIFTY YEARS AGO (June 5, 1925)

It appears that lately, in Hamlin, when a fire breaks out there occurs with it one or more cars stolen. This is getting too common for comfort. While the Moore hay barns were burning some low down scoundrels took Lige Adkins car and Mr. Bull's car from the ground and hied out with them. Hard luck for the thieves happened to the Bull car, for down near the rear of Green's Store it went into the rim and was aban-

By the time this notice appears in the local press of West Texas over fifty thousand feet of lumber will be on the grounds of the Baptist of West Texas preparatory to erecting a large pavilion of a permanent nature and numerous teaching pavilions. An army of carpenters and workmen will be turned loose on the job and will have every building ready for the hosts of religious and non-religious people of far and near that continue in increased numbers to gather there annually

J. W. Hodges and family of Slaton arrived Sunday to make Hamlin their home, Mr. Hodges takes Mr. North's place as Superintendent of the Hamlin Compress. Mr. Hodges likes Hamlin fine and hopes to keep up the good record of the Hamlin Compress. He will occupy the Cozzen residence near the Morgan Hotel.

Miss Mae James returned last Friday from San Marcos where she received a diploma from the State Teachers College. Miss James has proven her ability as a primary teacher and a successful teacher in every grade she has taught. TWENTY YEARS AGO

Two members of the Hamlin High School chapter of Future Farmers of America and one of their leaders, Harold V. Eades, left early Wednesday for Odessa, where they were to attend annual conferences of the Odessa Area FFA Wednesday, Thursday and Friday

(June 3, 1955)

Directors of the Hamlin Lions Club voted in special session Tuesday afternoon to try to arrange a chartered bus trip to the Texas Lions Crippled Children's Home on Tuesday, June 28

Two Hamlin young men were among the five draftees called by the Anson draft board, serving Jones, Shackelford and Haskell Counties, to report for induction in the armed service on June 9

Several from Hamlin are expected to attend a meeting of Boy Scouters, Cub Scouters, including den mothers, next Thursday evening at 7:15. It will be a training session and round table at the Stamford Presbyterian Church, according to Joe Breed of Anson, district commissioner of the Northern District.

Installation of a night depository system was announced this week by officials of the Farmers and Merchants National Bank in Hamlin. It was due to be put into regular operation this weekend.

The Rev. Donald Wellman, new pastor of the Hamlin Church of the Nazarene, will be

#### Stamford Church To Host Crusade

The Stamford Foursquare Church will host an area wide "Come-Together" Crusade June 11-15 at 7:30 nightly with Evangelist Steve Smart, who has been preaching since an early age, according to Rev. Dennis Godwin, pastor of the Stamford church. The "Come-Together" theme of this crusade speaks of the spirit in which Rev. Smart comes, the Rev. Godwin said. He is currently active in the charismatic revival that is gaining momentum. The pastor said the evangelist has a special ministry in prayer for the sick, and those seeking spiritual renewal.

Music for the public crusade will feature an unique blend of specials written by the Smarts and also feature congregational singing of scripture choruses.

Nursery care will be provided for all services. The members and pastor extend a warm welcome for all to "come-together.

P. O. BOX 339

in the pulpit at both services Sunday, officials of the church announced this week.

Word has been received in Hamlin that Dr. Joe V. Weir, first lieutenant in the U. S. Army Dental Corps, has been made company commander of the 570th Medical Detachment and recently has been appointed chief of oral surgery in the dental dispensary in Kesersloutern, Germany, TEN YEARS AGO

(June 3, 1965) Vacation Bible School at First Baptist Church will be held June 7-16 with classes from 8:30 to 11:00 weekdays, according to Bill Keck, educational coordinator for the church. Provision is made for children from

age three through 16. The school for Intermediates (ages 13-16) will be held at night from 7:00 to 9:00 on the same dates. The Hamlin Colts won two games last week. They defeated the Anson Cats here last Friday night, 9-2. Paul Long was the

winning pitcher for the Colts, striking out 18

Work on the interior remodeling of City Hall began Tuesday with O. L. Cooper, local builder, as the contractor. Plans call for a general remodeling including painting, new flooring, lowered ceiling and year around air conditioning.

The grand opening celebration of Mac's Super Market in the new location on West Lake Drive will be held Thursday, Friday and Saturday according to the store manager, Luther Haught

The Frontier Stamp Gift Center will have its formal opening Thursday, Friday and Saturday in the new location at 230 West Lake Drive

Vacation Bible School is now in progress at Neinda Baptist Church with Mrs. Jerry Williams as superintendent. Classes started Monday and will continue through Friday.

David Drummond, 17, track and basketball letterman for Hamlin High School, has signed a letter of intent to accept a track scholarship at Hardin-Simmons

Continued from page One

facilities but also for research and development.

And this problem of solid waste disposal is not just a problem for the big cities to worry about because we here in Hamlin are going to have our problems with it too. In fact, it is presently costing a lot more of your tax dollars now than it did just a few years ago just to get rid of your trash.

One of these days we are going to run out of holes in the ground to bury our junk and then what do we

And us city folks are not the only ones that seem to have more and more problems. I see by the way of a news release from the Texas Safety Association that all agricultural tractors manufactured after October 25, 1976, must be equipped with a seat belt and rollover protective structures which meet government performances requirements.

Not only must the tractors meet this standard but the employer is required to assure that all employees use the seat belt and that employees enforce prescribed operating rules whether or not a rollover protective structure is required.

Anyone interested in going with me to the backwoods of South America and see if we can set up a new colony that might survive a few generations before all of this "progress" can reach us down there?

The drawbridge makes way for the boat to come into the city and down the canal. Dredges make canals in open waters such as the gulf to make way for ships to travel an inter-coastal waterway. Police officers and secret service men clear a path in the crowds to make way for an important foreign potentate so that he might arrive at his destination.

Church members are the ones who can clear the way, and show the right path to those who have not found the way to our Lord.

Isaah 40:3B reads, "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

Support your church in every way you can. Ask someone to attend church with

The Church is God's appointed agency in this world for spreading the knowledge of His lave for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God

#### **Child Development** Classes Scheduled

Beginning Monday, June 9. a series of classes will be held on Child Development according to Necy Wilburn, County Extension Agent. The classes will be held in

the Fellowship Hall of the Anson Church of Christ each Monday during the month of June at 7:30 p.m. Classes will be informal so

bring a friend and plan to attend, Mrs. Wilburn said.

Mr. and Mrs. Victor Ramirez of Anson are parents of a son, Joe Robert, 7 lbs. 91/2 oz., born May 28 at 10:20 a.m. The couple has another son, Mario Victor.

a minimum of time to achieve maximum beauty results.

—A Boon to the Busy Woman

'Daytime makeup colors will be richer than in recent years and can be adapted almost immediately for a glamorous night on the town by simply adding candescent

"This transition takes only a few minutes and eliminates the need for a lengthy makeup job between day and evening," said Mrs. Fowler.

The basic makeup colors have been created to complement Fall '75 fabric colors the dark undertones of grays, deep greens, teal blues and burgundy and the pale and golden beige colors which will also be important this

The fall eye tones will be brown -hued. One surprise is the return of eyeliner for use in new ways. It will be applied in diagonal feather strokes over the powder shadows which have been blended over a champagne color wash. Then, the feathered eyeliner strokes will be smudged upward to make eyes that are very dark at the base of the upper lashes with shaded tones of brown on the lids moving into lighter tones at the brow. Cat eyes and "M" eyes are gone.

Cheek color will be almost a "no color" look, beginning behind the cheekbone, close to the hairline and blended so that no traces of the initial application pattern remain.

"The Fall '75 look is a return to elegance that makes a rich appearance for exciting days and adapts beautifully to romatic

evenings," said Mrs. Fowler. Attending the convention with Mrs. Fowler were Mrs. Kenneth Riddle, co-owner, and Mrs. Harvey Lawlis.

DANGEROUS BUILDINGS ORDINANCE CITY OF HAMLIN

An ordinance defining dangerous buildings within the terms of this ordinance. establishing a Building Standards Commission. providing for the condemnation of dangerous buildings or structures, and providing for the evaluation. repair, and-or demolition of dangerous buildings; providing for the assessment of costs of abatement: providing for the fixing of a lien for the costs of abatement: containing a savings clause; providing for the method of publication of this ordinance; and providing a penalty.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HAMLIN, TEXAS: SECTION I. All buildings or structures which have any or all of the following defects shall be

deemed dangerous buildings: A. Any building, shed, fence or other man-made structure which is dangerous to the public health because of its condition, and which may cause or add in the spread of disease, or injury to the health of the occupants of it or neighboring structures. B. Any building, shed,

fence or other man-made structure which because of faulty construction, age, lack of proper repair, or any other cause, is especially liable to fire and constitutes or creates a fire hazard.

C. Any building, shed, fence, or other man-made structure, which by reason of faulty construction or any other cause, is liable to cause injury or damage by collasping or by a collapse or fall of any part of such structure.

D. Any building, shed fence or other man-made structure, which because of its condition or because of lack of doors or windows is available to and frequented by malefactors or disorderly persons who are not lawful occupants of such structure.

E. Any building, shed, or other man-made structure so constructed or permitted to be so constructed as to constitute a menance to health or safety including all conditions conductive to the harboring of rats or mice or other disease carrying animals or insects reasonably calculated to spread disease, and including such conditions hazardous to safety as inadequate bracing or use of deteriorated materials.

E. Any building, shed, or other man-made structure so constructed or permitted to be so constructed as to constitute a menance to health or safety including all conditions conductive to the harboring of rats or mice or other disease carrying animals insects reasonably calculated to spread disease, and including such conditions hazardous to safety as inadequate bracing or use of deteriorated materials.

F. Any building, shed or other man-made structure that has become deteriorated through natural causes or by damage through exposure to the elements, especially wind, hail, or rain, or damage through fire, to the extent that the roof, windows and doors, or portions of the house, building, or structure which protect from the weather, will no longer reasonably protect from the

SECTION II. All dangerous buildings within the terms of this ordinance which shall constitute a menance to the health, morals, safety, or general welfare of its occupants or of the public are

declared to be nuisances and shall be ordered to be vacated, repaired or demolished as herein provided.

SECTION III. It shall be unlawful to maintain or permit the existence of any dangerous building in the city; and it shall be unlawful for the owner, occupant or person in custody of any dangerous building to permit the same to remain in a dangerous condition, or to occupy such building or permit it to be occupied while it is or remains in a dangerous condition.

SECTION IV. There is

hereby created a Building Standards Commission to be composed of three members. each of whom shall be a resident of the city of Hamlin. They shall hold office for a period of two years, or until their successors are appointed. As near as practical, they should be qualified in one or more of the fields of fire prevention, building construction, health and public safety. In addition to said three members, the fire marshal, building inspector, and health officer of the city of Hamlin shall be ex officio non-voting members of said Building Standards Commission. Any city employee in the said respective department or division of the city, who shall be designated by the city's secretary, shall be authorized to act as substitute for the respective superior of their respective department or division as ex officio member of said commission. It shall be the duty of the ex officio members of such commission to inspect all buildings or structures reported to be or believed to be dangerous and to present a report of such inspection to the Building Standards Commission. which commission shall notify the proper party of the intention of such commission to hold its hearing and to the procedure hereinafter provided.

SECTION V. The following steps shall be taken in the condemnation of a dangerous

building: 1. When it shall come to the notice of the Building Standards Commission that a building or structure in the city of Hamlin is dangerous under the terms of this ordinance, the said commission shall cite said owner of such building or structure. or his authorized agent or representative, to appear, and show cause why such building should not be declared to be a dangerous building and why he should not be ordered to vacate, repair, or destroy such building or structure. The date of such hearing shall be not less than ten (10) days after such citation shall have

2. Such citation may be served by delivery of a copy thereof to the owner of the person in possession, or, if such premises be unoccupied. by attaching a copy of such citation in a place of prominence on such building or structure

3. On the day set in such citation for hearing, hearing shall be had and on the basis of such hearing the Building Standards Commission shall determine whether or not such building or structure is a dangerous building, then, in that event, the Building Standards Commission shall issue such orders as shall appear reasonably necessary to prevent the said building from being a hazard to life or property and to eliminate the said building or structure's dangerous qualities.

4. The owner of any dangerous building, or his authorized representative, may appeal from the decision of the Building Standards Commission by giving notice thereof within ten days from the date of said hearing and file with the city secretary a fee of \$10. Such appeal shall be to the City Council, and upon the perfection of appeal, the City Council shall set a date for hearing before it and such appeal shall be by trial de novo

5. Pending appeal, such orders of the Building Standards Commission shall require a vacation of the alleged dangerous building, shall remain in effect, but all other orders of the Commission shall be suspended in their operation.

SECTION VI. The following standards may be followed in

public substance by the Building Standards Commission in ordering repair, vacation or demolition:

A. If the dangerous building can be reasonably repaired so that it will no longer be in a condition that is in violation of the terms of this ordinance, it shall be

ordered repaired. B. If the dangerous building is in such condition as to make it dangerous to the health, morals, safety or general welfare of its occupants or of the public, it shall be ordered to be vacated.

C. In any case where the dangerous building is 50 percent damaged or decayed, it shall be demolished, and in all cases where a building cannot be repaired so that its existence will no longer be in violation of this ordinance, it shall be demolished.

SECTION VII. Neither the city of Hamlin nor any authorized agent acting under the terms of this ordinance shall be liable or have any liability by reasons of orders issued or work done in compliance of this ordinance.

SECTION VIII. It shall be the duty of the City Attorney of the city of Hamlin to enforce the orders of the Building Standards Commission or the City Council, upon appeal, by filing in the appropriate court of this state, when so authorized by the City Council.

SECTION IX. Any person who shall be ordered by the Building Standards Commission to repair or demolish a dangerous building shall commence such work within 30 days from the date such order becomes final, and all such work shall be completed in 6 months of said date.

SECTION X. If the Building

Standards Commission has

ordered that the dangerous building be demolished, and the owner or his authorized agent or representative willfully refuses or fails to commence the demolition of said building within the time provided by this ordinance for such purpose, the city may cause such demolition to be done at the expense of the city on account of the owners, and case the expense thereof to be assessed on the real estate, or lot or lots upon which such offense is incurred. On filing with the County Clerk of Jones County a statement by the mayor or the city health officer of the city of Hamlin of such expenses, the city of Hamlin will have a privileged lien thereon, second only to tax liens and liens for street improvements to secure the expenditures so made and 10 percent interest on the amount from the date of such payment. For any such expenditures, and interest, as aforesaid, suit may be instituted and foreclosure had in the name of the city; and the statement so made, as aforesaid, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements, as provided by Article 4436, V.A.C.S. SECTION XI. Any person who shall willfully refuse or

fail to leave a building which has been ordered vacated under the terms of this ordinance, or who shall enter an area around such building that has been declared to be dangerous and notice of such declaration shall have been posted, and or any person who shall interfere with or hender the vacation, repair, or demolition of any building under the terms of this ordinance, shall be deemed guilty of a misdemeanor and shall be subject to a fine of not less that \$5, nor more than \$200, and upon conviction shall be fined in any sum not exceeding \$200, and each and every day's violation shall constitute a separate and distinct offense. In case the owner or occupant of any dangerous building ordered vacated, repaired, or demolished under the terms of this ordinance shall be a corporation, and shall violate any provision of this ordinance, the president, vicepresident, secretary, or treasurer of such corporation, or any manager, agent, or employee of such corporation shall be also severally liable for the penalties therein provided.

SECTION XII. If any article, paragraph, subdivision, clause or phrase of this or-

MARTHA V. CLAYTON graduates in Guam

#### Martha Clayton Receives Degree

Martha V. Clayton, daughter of Mr. and Mrs. Travis Hubbard, received a bachelor of arts degree in elementary education from the University of Guam in May 17 ceremonies in the Dulce Nombre de Maria Cathedral in Agana, Guam.

Mrs. Clayton and her husband Raymond and sons Brad, 17, and Jim, 15, have lived in Guam six years. Mr. Clayton is a high school science teacher.

She is a 1955 graduate of Hamlin High School.

She was a member of Chi Omicron Gamma honor sorority and was named to Who's Who in American Universities. She will teach kindergarten.

#### All-Star Little **Dribblers Visit**

The Lampasas All-star Little Dribblers (senior division) spent last Wednesday night in Hamlin in the homes of Mr. and Mrs. Claude Crowley and Mr. and Mrs. Bobby Crowley. They were enroute to Ralls to play in the state basketball

tournament on Thursday. The team included the Claude Crowley's granddaughter, Dana Reed, Regina Whitis, Vicki Woolfe, Debbie Summers, Michelle Milligan, Martha Gill, Lisa Denson, Karen Bennett, Linda Pinget, Eve Yvette Ramirez, and coaches and sponsor, Becky Bland and Anita Allen, all of

Lampasas. Mr. and Mrs. Tom Reed and Sharlyn accompanied the team. Mrs. Reed is the Crowley's daughter, Janis.

NEWS FROM ...

Maberry had an unexpected visitor this week when one of Addie's old schoolmates. Mrs. Bea Walker of Whittier, Calif. came for a visit. Almost 30 years since Mrs. Walker had seen the Maberrys. Also visiting in the Maberry home were Mrs. Roscoe Perryman of Hamlin and daughter Mrs. Bonnie McCasland of Killeen, Mrs. Lucille Long of Fort Worth and Mrs. Ruth Marshal of Weatherford

Mrs. George Maberry and her sister, Mrs. Dick Maberry of Hamlin, attended the graduation exercises of Tonya Shipman of Graham last week. Tonya is the daughter of Mr. and Mrs. Al Shipman. Mrs. Shipman is the former Dixie Maberry. Tonya was one of the honor students out of 26 classmates. Mrs. George and Dick Maberry went to Hermleigh to visit their brother B. D. Smith who was recently released from Sweetwater Hospital. Now Mrs. B. D. Smith is ill, at least they weren't sick at the same

Max Kemp left this morning for State Roundup at A&M College. He is a member of the Fisher County 4-H Livestock Judging team. Besides judging livestock the members will tour the campus and attend recreational activities provided by the friends of 4-H who work to make the State Roundup so enjoyable each

Dr. and Mrs. Charles Lewis and family of Conway, Ark., visited with the Kemp families this weekend and with Mrs. Beatrice Kemp of Holiday Lodge. Mrs. Charles Lewis is the granddaughter of Mrs. Beatrice Kemp, the former Patsy Crance. Patsy's mother, Mrs. Ruth Crance of Lubbock, also visited her mother. Dr. Lewis

teaches sociology in the University at Conway.

Mr. and Mrs. Jim Dixon and family have rented the former Ollie Hennington home and will live there while they build a new home in the Lawlis Flat.

Rev. and Mrs. George Decker and family were visitors in the Martin Decker and Julius Decker homes during the week.

Mr. and Mrs. Don Ferguson and family of Spur stopped by for a visit to the Charles Fergusons Sunday after spending the weekend at

Rev. R. M. Babb conducted the services at the McCaulley Baptist Church Sunday while George Caffeys vacationed in New Mexico.

McCaulley School Board Members are still trying to fill the position of superintendent of McCaulley Schools. They have spent several sessions interviewing applicants. I have never witnessed a more dedicated group of men in their eagerness to select the right person for the job-which is not only my opinion but the thinking of many others in the community and of the applicants. School board members everywhere should be honored for the work they

Mrs. Levi McCollum's grandson James Mack Pickens is visiting her while Rev. and Mrs. Pickens and Larissa Ann attend conference.

#### Three Local Boys To Attend Camp

Three Hamlin boys have been chosen to attend the free, one-week vacation at the Salvation Army's Camp Hoblitzelle near Dallas. according to Frma Wallace, Salvation Army Service Unit camp chairman.

The boys are Todd Marshall, Delger Covington and Harvey Titus. They will travel to Dallas by bus Sunday and will be met there by a Salvation Army official who will drive or send them by Salvation Army bus to the camp near Midlothian.

"Camp Hoblitzelle activities are comparable to those found at the most expensive and exclusive boys camps in the nation," Mrs. Wallace said. They boys will enjoy horseback riding. swimming, boating, fishing, hiking, archery, handicrafts, and group sports as well as worship services and Bible study

Coaches and counselors supervise all organized activities. Campers are housed in brick and redwood cabins and well-balanced meals are served in the camp dining hall.

Each boy's trip is financed by the Salvation Army Service Unit Committee which is supported by contributions from citizens in the community

Over 900 boys are expected to attend the four summer camps which the Salvation Army reserves each summer for boys from Service Unit communities.

#### Life Jacket Law **Still Plagues Boaters**, Wardens

IRVING-There is absolutely no reason for Texas boaters not complying with the personal floatation device law, a portion of the Texas Water Safety Act. Wardens are still having to write tickets on boaters who violate the most widely publicized of all the regulations of this act failure to have the proper

life preservers on board. W. R. (Bill) Long of the Texas Parks & Wildlife Department says wardens had filed 228 cases for this violation by the end of March. and the season has just

right and proper number of

started. PED's, personal flotation devices, are divided into four classes, and the type needed for your boat is spelled out plainly in the law digest.

## **Heart Fund Drive** Still Short of Funds

The American Heart Fund is receiving a boost from the response to the letters mailed to Jones County Rural Route Box holders recently. The letters signed by the presidents of the Hamlin F&M National Bank, and The First National Banks of Anson and Stamford, urge people to give to the Heart Fund.

Donations are to be mailed to Mrs. Joe B. Sosebee, 1732 Avenue H, Anson 79501.

Anyone who has not donated to the American Heart Fund is urged to send in their donations. Mrs.

Sosebee is making an effort to call each person who contributes to this cause.

Each dollar given to the Heart Fund is broken down to the following: 24 cents for research, 23 cents for public education; 18 cents for professional education; 16 cents for community service: 8 cents for management support service: 11 cents for fund raising (for materials workers are volunteers).

A total of \$784.95 had been turned in to the Heart Fund from Jones County through this past week Mrs. Sosebee

## J. R. Gleaton to Retire **As Rolling Plains Head**

J. R. Gleaton, president, Rolling Plains Production Credit Association has announced his plans to retire July 11 having completed 32

#### Bennie Sayger Jr. **Completes Course**

Ft. Knox, Ky.-Army Second Lieutenant Bennie Sayger Jr., whose wife, Donnelle, is the daughter of Mr. and Mrs. Delmer Hill, Route 2, Hamlin, Tex., completed a nine-week armor officer basic course at the Army Armor School, Ft. Knox, Ky.

The course covers branch training in armor for newly commissioned officers with special emphasis on the duties of tank and reconnaissance platoon leaders. Their training includes instruction in automotive principles and maintenance, communications, weapons and tactics.

years with the Association. He announced his plans to the Board of Directors at its regular meeting held in Stamford, May 22.

Gleaton was reared in Jones County, moved to Stamford in 1934 and began his employment with the Association in 1943. He served as Vice-President from 1953 until his appointment as President June 30, 1972.

The Board of Directors announced the appointment of R. C. Cobb as president effective upon the retirement of Gleaton. Cobb was employed with the Rolling Plains Production Credit Association September, 1939.

Cobb was Assistant Manager in the Haskell Office and was transferred to Stamford in 1955, having served since then as Vice-President and Secretary. For four months in 1974. Cobb worked on a special assignment with the Intermediate Credit Bank of Houston in writing an operations manual for Production Credit Associations.

#### REDDY'S HELPFUL FREEZER TIPS

Lock in flavor: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane

Label packages: Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

Take advantage of sales: Avoid overstocking with commercially frozen food that's always available: use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods

GETTING READY FOR 3-DAY SALE-From left, Nickey Bond, Alan Fitzgerald, Mrs. C. L. Howard, Mrs. Charles Wesbrooks and Mrs. Ed Wheat make plans for the three-day garage sale at the Howard home, 515 W. Lake Drive. The sale opens today (Thursday) and will be held Friday and Saturday, opening at 8 a.m. each day. The sale will benefit campers who wish to attend Camp Roadrunner, summer camp for mentally retarded people of Region 3, Texas Association for Retarded Citizens, Inc. Mrs. Howard, chairman of the event, said many items had been donated and toys, plants, clothing and miscellaneous articles will be for sale. Camp Roadrunner will be held July 12-19 at the Butman Methodist Encampment.

NEWS AND VIEWS ... And What Have You By BOB CRAIG

Apparently, the City of Hamlin is finally on its way to solving its Wastewater Treatment Problems now that it has received word from Austin that its \$200,936 grant has been approved for the construction of a new sewage system. This is a problem that the city has been working on since 1971.

But in the years ahead the City of Hamlin, like cities all across the country, will be facing the problem of what to do with its solid waste. How much longer the city can find land to lease or buy to bury its trash is a question for which no one has a ready answer.

Cong. Omar Burleson discusses this problem in his newsletter this week and points out that in the past four or five decades the amount of solid waste discarded per person in this country has doubled. Collections of throw-away stuff amounts to more than 225 million tons per year with disposal costs of more than \$5 billion annually.

The National League of Cities reports that about half our towns and cities will run out of current disposal capacity in from two to five years. And Hamlin will probably be one of those cities looking for a place to poke its trash within that time frame.

Not only is the problem of where to put the trash a growing one but at the same time this increase in the volume of materials entering the solid waste stream has a potentially serious drain on our national resources. According to the newsletter, the U.S. Geological Survey has warned that by 1985 our Nation will be dependent on foreign imports for more than one-half of its supply of nine basic raw materials.

Otherwords, not only can we not find any place to dump all this trash, but at the same time we cannot afford to continue to throw this much of our raw materials away. Apparently, the only answer is to recycle our trash but the problem here is that it is still cheaper to use new material than it is recycle. According to statistics we recycle only 19 percent of all wastepaper, 18 percent of aluminum, five percent of glass and four percent of textiles.

And instead of recycling more and more of our wastes we are recycling less and less, according to reports. And this is not likely to change until the government changes a number of its policies which includes freight rates that favor the use of virgin materials. The government will have to offer some form of tax incentives to business not only for new recycling

— Continued on page 2

## **Cleburne Huston Named Outstanding Older Texan**

Cleburne Huston of Stamford was named Outstanding Older Texan at the Older Texan Banquet held in the Anson Elementary School Cafeteria Tuesday evening. Approximately one hundred and seventy people

attended the banquet Rev. C. T. Jackson of Anson gave the invocation.

County Judge Leon Thurman welcomed the group. Entertainment was furnished by the New Image, composed of the Minks family, from the First Baptist Church in Hamlin.

Mrs. Dolris representing the Governor's Committee on Aging, presented the Outstanding Older Texan award to Mr.

Necy recognized all the nominees, who stood when introduced. Each woman was presented a long stemmed red carnation and each man a red carnation boutonniere.

Nominees for the award were: Hub Holland, Anson, sponsored by Graves and Neville: Ernest Pittman. Anson Lioness Club; Mrs. E. T. Pittard, Anson Woman's Club; Rozella Veazey,

#### **Tennis Tourney Deadline Nears**

Deadline for entering the Hamlin Board of Community Development's City-Wide Tennis Tournament is this weekend, according to Gary McMillan, a co-chairman for the event.

Registration will close Sunday and entry fees must accompany the registration. Fees for the tournament are \$1.00 for 10 to 14 year olds and for those over 14 the fees will be \$2.00 for singles and \$3.00 for doubles and mixed doubles.

There will be five age brackets for the tourney with singles, doubles and mixed doubles in each age group. Entry forms and re-

gistration fees may be left at Heidenheimer's, Joe Hudspeth's, Reynolds Drug and White's Auto or be mailed to the BCD office.

#### **Hamlin Gin Sets Meeting Friday**

The annual stockholders meeting of Hamlin Farmers Coop Gin will be held Friday at 7:30 p.m. in the high school cafetorium.

The audit for the past season's operations will be reviewed and dividend checks will be distributed. Three directors will also be elected

All stockholders are invited to attend. Refreshments will be served and door prizes will be given.

Stamford Youth Board; Mrs. Helen Haynes, Nugent, Creek Demonstration Club; Mrs. Leone Brown, Hamlin AARP; Roy Nunneley, Stamford Electric Co-op, Inc.; Clyde Tidwell, Anson, Northside Baptist Church;

Also Florence Smith, Anson, Tuesday Study Club; Miss Bertie Agnew, Stamford Teakwood Manor; E. M. Connell, Anson, First United Methodist Church: Mrs. Otto Sosebee, Anson Garden Club: Mrs. Loretta Hearne, Anson, Bethsadia Baptist Church: Mrs. Allen McNabb, Stamford, Pleasant Valley Home Demonstration Club; Mrs. Toff Herndon, Anson, Senior Citizens Club; Miss Arrie Barrett, Anson Girl Scouts; Mrs. J. C. Williams, Avoca Home Demonstration Club; Cleburne Huston, Stamford, Historical Society.

The banquet was catered by Mack Eplen's of Abilene. Sponsoring the banquet were: Farmers State Bank of Lueders; First National Bank of Anson, First National Bank of Stamford, Farmers and Merchants Bank of Hamlin, First Federal Savings and Loan of Stamford, Stamford Electric Co-op, Inc., West Texas Utilities and Rolling Plains Production Credit

The banquet climaxed the special older citizens month in Texas activities for Jones County.

### **AARP Plans Defensive Driving Course**

A Defensive Driving Course June 16 and 17 will be sponsored by the American Association of Retired Persons of Hamlin. Fee for AARP members and members of the National Retired Teachers Association will be \$1

C. V. Herbert of Stamford, formerly of Hamlin, will be assisted by M. S. Johnson and Harold Bonner in presenting the course.

Mrs. Earl Brown is coordinator. Mrs. Brown, Bonner or Johnson may be called for more information. Persons who are not members of the retired persons organizations may take the course for the regular fee. The \$1 fee is made available only through AARP and NRTA.

#### VBS Opens Monday

Vacation Bible School at Calvary Baptist Church will open Monday and continue through Friday with sessions from 8:30 to 11 a.m.

Classes will be held for age three through junior high. Theme will be "Believing

Truth.

IN LAST MINUTE BATTLE—

## **County Loses District Court**

A classic political battle between small town and city finally ended shortly before midnight Monday in the State capital.

Victims at the end were the proposed 223rd District court for Jones County.

A joint House-Senate conference committee, after a day and night stalemate, brought Jones County court from an Omnibus Courts Bill 60 minutes before the end of the 64th Legislature.

By dropping Jones County, the committee saved more than 20 additional courts and hurried the bill to the House for quick approval before final adjournment.

Representative Elmer

Martin led the fight for the Jones County court, sponsoring the legislation that originated in the House, where it was passed 113-4.

And it was Martin who in the late night conference committee session repeatedly held the House support together to keep Jones County court alive with repeated deadlock votes.

Organizing opposition were Senators Grant Jones of Abilene, Pete Snelson of Midland, and Jack Ogg of

Joining hands with Martin at the forefront of the effort to keep Jones County in the court bill was Representative W. S. (Bill) Heatly of

Paducah, chairman of the House Judicial Affairs Committee and chairman of the Conference Committee.

Jones and the other Senators walked the House floor during the afternoon and night contacting House members in an effort to stir up opposition to keeping the Jones District court in the

It was only after Senator Ogg, with the support of the other Senators, proposed including Jones County with other counties in a new district court that the stalemate was broken.

Representative Martin and Heatly repeatedly told the committee they would not be

a party to "switching rural counties and small towns from one court to another in the middle of the night."

Pressure turned to Representative Martin to withdraw Jones County to save all of the other courts.

But he refused. But finally, with numerous courts in San Antonio, Houston, Fort Worth and other cities hanging in the balance, the committee voted to drop Jones.

However, the action was to no avail.

A point of order a short time later in the Senate killed the bill as time ran out and the Senate adjourned sine-die before the Senate could vote.

#### RECORD SET MONDAY -

## Wheat Harvest In Full Swing

The area wheat harvest finally moved into full swing here this weekend following a week's delay from moisture of heavy rains. Combines moved into some fields late Saturday evening and then moved into high gear here Sunday

Moore Elevator reported a new record here Monday as 119,000 bushels of wheat were brought to the elevator in one day, according to Robert Fowler, manager. He said that it should take from a week to 10 days to complete the harvest if the weather will

He said that the yield is running about 20 bushels per acre, but with the increased planting this season the area could see a record harvest. From 25 to 30 percent more acreage has been planted in wheat this year than ever before. Previous highs for Moore Elevator were 654,000 bushels in 1958 and 962,000 in 1968. The yields were running higher during those years but the acreage is higher this

Fowler said that they received their first load of wheat here Monday, May 19, but it was not until late Saturday that the harvest really got started. An

#### **Headstart Program** Still Has Vacancies

Headstart Program which began Monday still has vacancies for five-year-old students, according to Larry Butler, principal

Classes are from 8:30 to 1:30 each day Monday through Friday and lunches and snacks are furnished.

The school will run from June 2 to July 25

estimated 40 combines have been brought into the area. plus a number of locally owned rigs.

The wheat was bringing \$2.95 when the harvest started but had dropped to \$2.85 Monday and was still bringing the \$2.85 Tuesday

morning. Fowler said that about half of the wheat producers were trying to hold their crop hoping for a better price later.

The harvest is getting underway by about 10 a.m. now and running until about 11 p.m. each evening.

Jones County Agent Kirby Clayton estimates that there is from 55,000 to 60,000 acres that will be combined in the county. Estimates in this area, including parts of Stonewall and Fisher counties run as high as 50,000

#### GRADUATES TOLD —

## 'Our World Needs You'

The graduating class of Hamlin High School was told "Our world needs you," by John Allen Chalk during evening for the 49 seniors. The graduation service, which combined baccalaureate and commencement, was held in the auditorium of First Baptist

Chalk is an Abilene attorney and author.

He pointed out to the students that they may feel like they must carve a place for themselves in the world, that there is no place for them now, but he wanted to allay that fear by assuring them that there is a place for them in the world and they are needed desperately.

He urged them to be guided by what is highest, noblest, purest and what is fundamentally sound and to exercise discriminating judgment. Another conviction he

stressed was to "Love thy neighbor as thyself." Have a strong sense of self respect and self esteem and respect others, he explained.

Don't abuse your life and

your opportunities," he advocated. More than \$500 in

scholarships were presented during the presentation of awards Debra St. Clair was presented a \$100 scholarship to Texas State Technical

Institute in Sweetwater by the Abilene Chapter of National Secretaries Association (NSA). She is the daughter of Mr. and Mrs. Buster Hart. Cynthia McMillan

daughter of Mr. and Mrs. Clyde Huff, was recipient of the annual \$100 scholarship from the Woman's Literary Club. Vickie Ponder, daughter of Mr. and Mrs. Doyle Ponder,

received the \$200 scholarship

from the Hamlin Ex-students Association, an annual presentation. The first annual \$100 scholarship to an outstanding Future Farmer of America member was presented by the Hamlin chapter to Randy

Elmore. He is the son of Mr and Mrs. Don Elmore. The valedictorian, Cheryl Lewis, daughter of Mr. and Mrs. Clyde Lewis, and Elmore, salutatorian, will be eligible for scholarships. A special award to the

outstanding American history student was given to Sue Sellers, daughter of Mr. and Mrs. Cecil Sellers, a sophomore. The award was from the Woodmen of the World.

Honor students took part in the program.

Cynthia McMillan gave the invocation, Blain Lewis led the Pledge of Allegiance and the scripture was read by Kimi Mehaffey. Thomas Hartley introduced the speaker.

Ray Sonnenburg presented the class gift.

The welcome was given by Elmore and Miss Lewis gave the farewell B. V. Newberry presented

the 49 seniors who received their diplomas from W. T. Johnson, president of the board of education, and were congratulated by Superintendent Bob Hawes.

Debra St. Clair led the singing of the Piper Song. Juniors providing music

were Debra Hollis, pianist, who also played the processional, and Gary Ford, organist.

HARVEST UNDERWAY—Five of the seven combines working in the wheat field west of town belonging to Johnny Bryant can be seen in this picture taken Tuesday afternoon. Bryant reported that an 800 acre field across the road from this field averaged 24 bushels per acre when it was cut Monday. Robert Fowler of Moore Elevator estimates that the

area average is running about 20 bushels an acre in what could be a record harvest for this area. While the average has been higher in previous years the acreage planted is up about 30 percent. The harvest, that had been held off because of wet weather, got underway here this weekend.

## FROM THE FILES . . .

FIFTY YEARS AGO (June 5, 1925)

It appears that lately, in Hamlin, when a fire breaks out there occurs with it one or more cars stolen. This is getting too common for comfort. While the Moore hay barns were burning some low down scoundrels took Lige Adkins car and Mr. Bull's car from the ground and hied out with them. Hard luck for the thieves happened to the Bull car, for down near the rear of Green's Store it went into the rim and was abandoned.

By the time this notice appears in the local press of West Texas over fifty thousand feet of lumber will be on the grounds of the Baptist of West Texas preparatory to erecting a large pavilion of a permanent nature and numerous teaching pavilions. An army of carpenters and workmen will be turned loose on the job and will have every building ready for the hosts of religious and non-religious people of far and near that continue in increased numbers to gather there annually.

J. W. Hodges and family of Slaton arrived Sunday to make Hamlin their home, Mr. Hodges takes Mr. North's place as Superintendent of the Hamlin Compress. Mr. Hodges likes Hamlin fine and hopes to keep up the good record of the Hamlin Compress. He will occupy the Cozzen residence near the Morgan Hotel.

Miss Mae James returned last Friday from San Marcos where she received a diploma from the State Teachers College. Miss James has proven her ability as a primary teacher and a successful teacher in every grade she has taught. TWENTY YEARS AGO

(June 3, 1955) Two members of the Hamlin High School chapter of Future Farmers of America and one of their leaders, Harold V. Eades, left early Wednesday for Odessa, where they were to attend annual conferences of the Odessa Area FFA Wednesday, Thursday and Friday.

Directors of the Hamlin Lions Club voted in special session Tuesday afternoon to try to arrange a chartered bus trip to the Texas Lions Crippled Children's Home on Tuesday, June 28.

Two Hamlin young men were among the five draftees called by the Anson draft board, serving Jones, Shackelford and Haskell Counties, to report for induction in the armed service on June 9.

Several from Hamlin are expected to attend a meeting of Boy Scouters, Cub Scouters, including den mothers, next Thursday evening at 7:15. It will be a training session and round table at the Stamford Presbyterian Church, according to Joe Breed of Anson, district commissioner of the Northern District.

Installation of a night depository system was announced this week by officials of the Farmers and Merchants National Bank in Hamlin. It was due to be put into regular operation this weekend.

The Rev. Donald Wellman, new pastor of the Hamlin Church of the Nazarene, will be

#### Stamford Church To Host Crusade

The Stamford Foursquare Church will host an area wide "Come-Together" Crusade June 11-15 at 7:30 nightly with Evangelist Steve Smart, who has been preaching since an early age, according to Rev. Dennis Godwin, pastor of the Stamford church. The "Come-Together" theme of this crusade speaks of the spirit in which Rev. Smart comes, the Rev. Godwin said. He is currently active in the charismatic revival that is gaining momentum. The pastor said the evangelist has a special ministry in prayer for the sick, and those seeking spiritual renewal.

Music for the public crusade will feature an unique blend of specials written by the Smarts and will also feature congregational singing of scripture choruses.

Nursery care will be provided for all services. The members and pastor extend a warm welcome for all to "come-together.

in the pulpit at both services Sunday, officials of the church announced this week.

Word has been received in Hamlin that Dr. Joe V. Weir, first lieutenant in the U.S. Army Dental Corps, has been made company commander of the 570th Medical Detachment and recently has been appointed chief of oral surgery in the dental dispensary in Kesersloutern, Germany. TEN YEARS AGO

(June 3, 1965) Vacation Bible School at First Baptist Church will be held June 7-16 with classes from 8:30 to 11:00 weekdays, according to

Bill Keck, educational coordinator for the church. Provision is made for children from age three through 16. The school for Intermediates (ages 13-16) will be held at night from 7:00 to 9:00 on the same dates.

The Hamlin Colts won two games last week. They defeated the Anson Cats here last Friday night, 9-2. Paul Long was the winning pitcher for the Colts, striking out 18 Sunday School

Work on the interior remodeling of City Hall began Tuesday with O. L. Cooper, local builder, as the contractor. Plans call for a general remodeling including painting, new flooring, lowered ceiling and year around air conditioning.

The grand opening celebration of Mac's Super Market in the new location on West Lake Drive will be held Thursday, Friday and Saturday according to the store manager, Luther Haught.

The Frontier Stamp Gift Center will have its formal opening Thursday, Friday and Saturday in the new location at 230 West Lake Drive.

Vacation Bible School is now in progress at Neinda Baptist Church with Mrs. Jerry Williams as superintendent. Classes started Monday and will continue through Friday.

David Drummond, 17, track and basketball letterman for Hamlin High School, has signed a letter of intent to accept a track scholarship at Hardin-Simmons University

NEWS AND VIEWS ...

And What Have You

— Continued from page One

facilities but also for research and development.

And this problem of solid waste disposal is not just a problem for the big cities to worry about because we here in Hamlin are going to have our problems with it too. In fact, it is presently costing a lot more of your tax dollars now than it did just a few years ago just to get rid of your trash.

One of these days we are going to run out of holes in the ground to Evening Worship bury our junk and then what do we

And us city folks are not the only ones that seem to have more and more problems. I see by the way of a news release from the Texas Mass Safety Association that all agricultural tractors manufactured after October 25, 1976, must be equipped with a seat belt and rollover protective structures which meet government performances requirements.

Not only must the tractors meet this standard but the employer is required to assure that all employees use the seat belt and that employees enforce prescribed operating rules whether or not a rollover protective structure is required.

Anyone interested in going with me to the backwoods of South America and see if we can set up a new colony that might survive a few generations before all of this "progress" can reach us down there?

## MAKING WAY ...

The drawbridge makes way for the boat to come into the city and down the canal. Dredges make canals in open waters such as the gulf to make way for ships to travel an inter-coastal waterway. Police officers and secret service men clear a path in the crowds to make way for an important foreign potentate so that he might arrive at his destination.

Church members are the ones who can clear the way, and show the right path to those who have not found the way to our Lord.

Isaah 40:3B reads, "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

Support your church in every way you can. Ask someone to attend church with you this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CONNIE DEATON sets wedding date

#### Connie Deaton, Joe Kidwell Plan Wedding

Mr. and Mrs. George Deaton announce the engagement and approaching marriage of their daughter, Connie Lavenne, to Joe Don Kidwell, son of Mr. and Mrs. Billie Joe Kidwell of San Angelo.

The couple will be married Aug. 16 in the chapel of First Baptist Church. Friends and relatives are invited.

Miss Deaton is employed at the Dairy Queen and completed her junior year at Hamlin High School this spring. She will complete her high school requirements during summer school which ends July 18.

The prospective bridegroom is a graduate of Wall High School and is employed by Walton Well Service.

#### Piano Pupils Give Recital

Piano pupils of Mrs. George Werner presented a second "Music of the Masters" recital May 19 in the parlor of First Baptist Church. Pupils performing were Neal Baker, Aretta Bolden, LaRhea Smith and Russell Smith of Rotan.

#### Miss Harrison Honored With Luncheon

Mrs. Lynn Gillespie and daughter Anne Marie, both of Stamford, entertained high school graduate Lynda Harrison with a luncheon at the Petroleum Club in Abilene May 24. Mrs. Gillespie is Lynda's godmother.

Special guests were the honoree's mother, Mrs. James Harrison; her sisters, Marilyn and Carolyn; her cousin, Jan Tucker of Fort Worth; her grandmothers, Mrs. W. E. Harrison of Abilene and Mrs. Russell Tucker of Weatherford; and a great aunt, Mrs. John Waugh of Strawn.

Tables were centered with arrangements of white crysanthemums tied with green and white polka dotted ribbon to carry out the school

Other guests were classmates Rita Casey, Cynthia McMillan, Sonja Williams, Kimi Mehaffey, Cheryl Lewis and Rebecca

The Hamlin group of American Association of Retired Persons will meet today (Thursday) at 6:30 p.m. in the Jaycee Building for a covered dish supper.

Mrs. D. Dean of Anson will be in charge of a program on the Retired Senior Volunteer Program.

All those interested in becoming members are invited to attend.

#### Child Development Classes Scheduled

Beginning Monday, June 9, a series of classes will be held on Child Development according to Necy Wilburn, County Extension Agent.

The classes will be held in the Fellowship Hall of the Anson Church of Christ each Monday during the month of June at 7:30 p.m.

Classes will be informal so bring a friend and plan to attend, Mrs. Wilburn said.

Mr. and Mrs. Victor Ramirez of Anson are parents of a son, Joe Robert, 7 lbs. 91/2 oz., born May 28 at 10:20 a.m. The couple has another son, Mario Victor,

"Convertible cosmetics" a boon to the busy woman maximum beauty results.

Convertible Cosmetics—

'Daytime makeup colors will be richer than in recent years and can be adapted almost immediately for a glamorous night on the town by simply adding candescent shimmer to the face.

'This transition takes only a few minutes and eliminates the need for a lengthy makeup job between day and evening," said Mrs. Fowler.

The basic makeup colors have been created to complement Fall '75 fabric colors

- the dark undertones of grays, deep greens, teal blues and burgundy and the pale and golden beige colors which will also be important this

The fall eye tones will be brown -hued. One surprise is the return of eyeliner for use in new ways. It will be applied in diagonal feather strokes over the powder shadows which have been blended over a champagne color wash. Then, the feathered eveliner strokes will be smudged upward to make eyes that are very dark at the base of the upper lashes with shaded tones of brown on the lids moving into lighter tones at the brow. Cat eyes and "M" eyes are gone.

Cheek color will be almost a "no color" look, beginning behind the cheekbone, close to the hairline and blended so that no traces of the initial application pattern remain.

'The Fall '75 look is a return to elegance that makes a rich appearance for

a minimum of time to achieve exciting days and adapts beautifully to romatic evenings," said Mrs. Fowler. Attending the convention with Mrs. Fowler were Mrs.

DANGEROUS BUILDINGS ORDINANCE

CITY OF HAMLIN An ordinance defining dangerous buildings within the terms of this ordinance, establishing a Building Standards Commission, providing for the condemnation of dangerous buildings or structures, and providing for the evaluation, repair, and-or demolition of dangerous buildings; providing for the assessment of costs of abatement: providing for the fixing of a lien for the costs of abatement; containing a savings clause; providing for the method of publication of this ordinance; and providing

a penalty. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HAMLIN, TEXAS: SECTION I. All buildings or structures which have any or all of the following defects shall be

deemed dangerous buildings: A. Any building, shed, fence or other man-made structure which is dangerous to the public health because of its condition, and which may cause or add in the spread of disease, or injury to the health of the occupants of it or neighboring structures.

B. Any building, shed, fence or other man-made structure which because of faulty construction, age, lack of proper repair, or any other cause, is especially liable to fire and constitutes or creates a fire hazard.

C. Any building, shed, fence, or other man-made structure, which by reason of faulty construction or any other cause, is liable to cause injury or damage by fall of any part of such

D. Any building, shed fence or other man-made structure, which because of its condition or because of lack of doors or windows is available to and frequented by malefactors or disorderly persons who are not lawful occupants of such structure. E. Any building, shed, or

other man-made structure so constructed or permitted to be so constructed as to constitute a menance to health or safety including all conditions conductive to the harboring of rats or mice or other disease carrying animals or insects reasonably calculated to spread disease, and including such conditions hazardous to safety as inadequate bracing or use of deteriorated materials

E. Any building, shed, or other man-made structure so constructed or permitted to be so constructed as to constitute a menance to health or safety including all conditions conductive to the harboring of rats or mice or other disease carrying animals or insects reasonably calculated to spread disease, and including such conditions hazardous to safety as inadequate bracing or use of deteriorated materials.

F. Any building, shed or other man-made structure that has become deteriorated through natural causes or by damage through exposure to the elements, especially wind, hail, or rain, or damage through fire, to the extent that the roof, windows and doors, or portions of the house, building, or structure which protect from the weather, will no longer reasonably protect from the

SECTION II. All dangerous buildings within the terms of this ordinance which shall constitute a menance to the health, morals, safety, or general welfare of its occupants or of the public are nuisances and shall be ordered to be vacated, repaired or demolished as herein demolition:

permit the existence of any dangerous building in the city; and it shall be unlawful for the owner, occupant or person in custody of any dangerous building to permit is in such condition as to the same to remain in a dangerous condition, or to occupy such building or permit it to be occupied while cupants or of the public, it

SECTION IV. There is

Standards Commission to be

composed of three members.

They shall hold office for a period of two years, or until their successors are appointed. As near as practical, they should be qualified in city of Hamlin nor any one or more of the fields of authorized agent acting marshal, building inspector, and health officer of the city of Hamlin shall be ex officio non-voting members of said Building Standards Commission. Any city employee in the said respective department or division of the city, who shall be designated by the city's secretary, shall be authorized to act as substitute for the respective superior of their respective department or division as ex officio member of said commission. It shall be the duty of the ex officio members of such commission to inspect all buildings or structures reported to be or believed to be dangerous and to present a report of such inspection to the Building Standards Commission, which commission shall notify the proper party of the intention of such commission to hold its hearing and to follow the procedure hereinafter provided.

SECTION V. The following steps shall be taken in the condemnation of a dangerous building:

1. When it shall come to the notice of the Building Standards Commission that a building or structure in the city of Hamlin is dangerous under the terms of this ordinance, the said commission shall cite said owner of such building or structure. or his authorized agent or representative, to appear and show cause why such building should not be declared to be a dangerous building and why he should not be ordered to vacate, repair, or destroy such building or structure. The date of such hearing shall be not less than ten (10) days after such citation shall have been made.

2. Such citation may be served by delivery of a copy thereof to the owner of the person in possession, or, if such premises be unoccupied, by attaching a copy of such citation in a place of prominence on such building or structure.

3. On the day set in such citation for hearing, hearing shall be had and on the basis of such hearing the Building Standards Commission shall determine whether or not such building or structure is a dangerous building, then, in that event, the Building Standards Commission shall issue such orders as shall appear reasonably necessary to prevent the said building from being a hazard to life or property and to eliminate the said building or structure's dangerous qualities.

4. The owner of any dangerous building, or his authorized representative, may appeal from the decision of the Building Standards Commission by giving notice thereof within ten days from the date of said hearing and file with the city secretary a fee of \$10. Such appeal shall be to the City Council, and upon the perfection of appeal, the City Council shall set a date for hearing before it and such appeal shall be by trial

5. Pending appeal, such orders of the Building Standards Commission shall require a vacation of the alleged dangerous building, shall remain in effect, but all other orders of the Commission shall be suspended in their operation.

SECTION VI. The following

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520 public substance by the Building Standards Commission in ordering repair, vacation or

A. If the dangerous SECTION III. It shall be building can be reasonably unlawful to maintain or repaired so that it will no longer be in a condition that is in violation of the terms of this ordinance, it shall be

ordered repaired. B. If the dangerous building make it dangerous to the health, morals, safety or general welfare of its ocit is or remains in a shall be ordered to be

C. In any case where the hereby created a Building dangerous building is 50 percent damaged or decayed, it shall be demolished, and in each of whom shall be a all cases where a building resident of the city of Hamlin. cannot be repaired so that its existence will no longer be in violation of this ordinance, it shall be demolished.

SECTION VII. Neither the

fire prevention, building under the terms of this orconstruction, health and dinance shall be liable or public safety. In addition to have any liability by reasons said three members, the fire of orders issued or work done in compliance of this ordinance. SECTION VIII. It shall be the duty of the City Attorney of the city of Hamlin to enforce the orders of the

Building Standards Commission or the City Council. upon appeal, by filing in the appropriate court of this state, when so authorized by the City Council.

SECTION IX. Any person who shall be ordered by the Building Standards Commission to repair or demolish a dangerous building shall commence such work within 30 days from the date such order becomes final, and all such work shall be completed in 6 months of said date. SECTION X. If the Building

Standards Commission has

ordered that the dangerous building be demolished, and the owner or his authorized agent or representative willfully refuses or fails to commence the demolition of said building within the time provided by this ordinance for such purpose, the city may cause such demolition to be done at the expense of the city on account of the owners, and case the expense thereof to be assessed on the real estate, or lot or lots upon Karen Bennett, Linda Pinget, which such offense is in- Eve Yvette Ramirez, and curred. On filing with the coaches and sponsor, Becky unty Clerk of Jones County a statement by the mayor or the city health officer of the city of Hamlin of such expenses, the city of Hamlin will have a privileged lien thereon, second only to tax liens and liens for street improvements to secure the expenditures so made and 10 percent interest on the amount from the date of such HAMLIN HERALD payment. For any such expenditures, and interest, as aforesaid, suit may be instituted and foreclosure had in the name of the city; and the statement so made, as aforesaid, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements, as provided by Article 4436, V.A.C.S. SECTION XI. Any person who shall willfully refuse or

under the terms of this ordinance, or who shall enter an area around such building that has been declared to be dangerous and notice of such declaration shall have been posted, and or any person who shall interfere with or hender the vacation, repair, or demolition of any building under the terms of this ordinance, shall be deemed guilty of a misdemeanor and shall be subject to a fine of not less that \$5, nor more than \$200, and upon conviction shall be fined in any sum not exceeding \$200, and each and every day's violation shall constitute a separate and distinct offense. In case the owner or occupant of any dangerous building ordered vacated, repaired, demolished under the terms of this ordinance shall be a corporation, and shall violate any provision of this ordinance, the president, vicepresident, secretary, or treasurer of such corporation, or any manager, agent, or employee of such corporation shall be also severally liable for the penalties therein provided.

#### Three Local Boys To Attend Camp

Three Hamlin boys have been chosen to attend the free, one-week vacation at the Salvation Army's Camp Hoblitzelle near Dallas, according to Erma Wallace, Salvation Army Service Unit camp chairman.

The boys are Todd Marshall, Delger Covington and travel to Dallas by bus Sunday and will be met there by a Salvation Army official who will drive or send them by Salvation Army bus to the camp near Midlothian.

"Camp Hoblitzelle activities are comparable to those found at the most expensive and exclusive boys camps in the nation," Mrs. Wallace said. They boys will enjoy horseback riding, swimming, boating, fishing, hiking, archery, handicrafts. and group sports as well as worship services and Bible study.

Coaches and counselors supervise all organized activities. Campers are housed in brick and redwood cabins and well-balanced meals are served in the camp dining

Each boy's trip is financed by the Salvation Army Service Unit Committee which is supported by contributions from citizens in the community

Over 900 boys are expected to attend the four summer camps which the Salvation Army reserves each summer for boys from Service Unit communities.

#### Life Jacket Law Still Plagues Boaters, Wardens

IRVING-There is absolutely no reason for Texas boaters not complying with the personal floatation device law, a portion of the Texas Water Safety Act. Wardens are still having to write tickets on boaters who violate the most widely publicized of all the regulations of this act

failure to have the proper right and proper number of life preservers on board.

W. R. (Bill) Long of the Texas Parks & Wildlife Department says wardens had filed 228 cases for this violation by the end of March, and the season has just

PED's, personal flotation devices, are divided into four classes, and the type needed for your boat is spelled out plainly in the law digest.

## **Heart Fund Drive** Still Short of Funds

The American Heart Fund is receiving a boost from the response to the letters mailed to Jones County Rural Route Box holders recently. The letters signed by the presidents of the Hamlin F&M National Bank, and The First National Banks of Anson and Stamford, urge people to give to the Heart

Donations are to be mailed to Mrs. Joe B. Sosebee, 1732 Avenue H, Anson 79501.

Anyone who has not donated to the American Heart Fund is urged to send in their donations. Mrs.

Sosebee is making an effort to call each person who contributes to this cause.

Each dollar given to the Heart Fund is broken down to the following: 24 cents for research, 23 cents for public education; 18 cents for professional education; 16 cents for community service; 8 cents for management support service; 11 cents for fund raising (for materials workers are volunteers).

A total of \$784.95 had been turned in to the Heart Fund from Jones County through this past week Mrs. Sosebee
